President's Report

2018/19 ANNUAL REPORT

time flies; faster and faster it seems. Before I know it, it will be my time to say goodbye and relinquish the role of President and pass the baton to another.

I am tempted to spare you the platitudes of the honour it has been to serve etc etc but I find that, in retrospect, it has indeed been just that - an honour and rare privilege to serve and to give back to a community which has given me so much over the years and which has importantly given me the gift of getting to know people within the Gallery One community that I may never have had the opportunity to know if the role of President had not come my way.

The last 3 years has been a busy time in Gallery One: over 30 exhibitions to attend, behind the scenes "dramatics" (Sanya's language is now a permanent feature of the official Gallery One language guide!), changes, losses and introductions, ideas, complications, failures and successes. Gallery One demonstrates all the characteristics inherent in any fully functioning family dynamic!

Reflecting on the role of President, weighing the pros and cons, the scales tip well towards the Gallery – that is, as President I have gained much more from the community than you have gained from me. So, what I have learned:

I may still be a marginal public speaker but am no longer petrified by the prospect (apologies for all the misconstrued sentences, forgetting sponsors when I needed to remember them and the names of VIPs too!) For the quintessential watermelon in the throat public speaker, this has been a huge personal gain for me.

How to chair a meeting and keep it casual and friendly (Gallery One is not a corporation). We have a fantastic committee which has dealt with some extremely tricky issues on occasion. My personal thanks to all the committee members who have kept things cool, measured, positive and friendly and who have provided ongoing support. It has been a pleasure to work with each and every person. The focus is always on what is best for the Gallery and such a clear direction has made it possible to achieve for the Gallery.

how to fix the coffee machine – huh!!!

schmoozing up to Mitcham Council. The money balance will always fall heavily in favour of the Council and this means they usually win. To those who follow on from me remember, Gallery One has always been respectful to Council; Gallery One has always paid all its bills, in full, on time; Gallery One co-operates fully with Council as required and contributes over and above to the co-operative within the Historic Village precinct; Gallery One provides colour, energy and vision for the Historic Village. Without our presence it would be a very beige village dynamic....in my opinion!

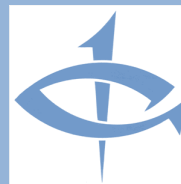

Lastly, the fundamental value of community has been demonstrated to me over and over again during the past 3 years. Without community, we are much smaller people living very small lives.

So, thank you to everyone!

To The executive committee, to the past presidents who helped smooth the way for me, Sanya as superstar Gallery Co-ordinator, our volunteers, our tutors and to those who choose to belong to the Gallery One community. It has been a pleasure. Wende Dahl

Treasurer's Report June 2019

2018/19 ANNUAL REPORT

Financial Report for the year ended 30 June 2019

I submit the Financial Report comprising the Income Statement for the 2018/19 Financial Year and the Statement of Position as at 30 June 2019 and Notes to the Accounts. The Association's position remains reasonably healthy, it has not been necessary to draw on any of the funds invested in term deposits during the past financial year. Term Deposits are \$35,550.

As at balance date our working bank account had a balance of \$13,525 slightly up on last year. Increased cash holding was the result of a Twisted event being held on 30 June 2019.

Overall, our financial position remains strong with Current Assets of \$52,616, depreciated. Non-current Assets of \$7,811 and total Liabilities of \$2,421 resulting in net Assets of \$58,006.00. The roller coaster of our profitability continues. Profit for the year was slightly up. Our reported surplus of just over \$3,663 is up on profit of \$400 last year is encouraging. The increase in income can be attributed to the 2 Twisted events held during the financial year, which is reflected in the Workshop/Project line. Class fees continue to be the prime source of income to the Association although they are slightly down from last year. Expenses are down overall from last year which is commendable. Payroll remains the most significant expense and will continue to increase in future. The purchase of the Photocopier has significantly reduced photocopying expenses.

Accounting Policy Notes Financial year ending 30 June 2018

These accounts have been prepared on an accrual basis with adjustment made for identified income and expenses relating to subsequent accounting periods. Prior to the current year the accounts were prepared on a cash basis with no allowance made for accruals. These accounts have been prepared for the full 12 months using a basic MYOB accounting package which does not have Sales, Creditors or Payroll modules. Sales continue to be receipted in Xcel and then recorded in MYOB.

Current Liabilities relate to Income received in Advance of anticipated expenditure and some trade creditors.

Depreciation is accounted for in the accounts using Xcel with General Journals into MYOB.

Depreciation is charged on easels and computers at 33%, display cabinets and carpets at 20%, coffee machine and photocopier at 25%.

The Association is not registered for GST therefore it has not been possible to claim a credit for GST paid.

No provision for Annual or Sick Leave has been made as the only employee was engaged on a casual basis and has not been employed for a sufficient time for any Long Service liability to accrue.

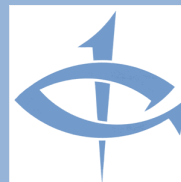

Apart from normal trading terms the Association does not have any other Liabilities.

Gallery suffered a break-in days before year end and a laptop and Paypal card reader stolen. As the laptop had been depreciated the loss was limited to \$123 consequently no insurance claim was made.

Coordinator's Report

2018/19 ANNUAL REPORT

INTRODUCTION

Mitcham Village Art and Crafts Association Inc, (since 1974) trading as **Gallery One** is an independent and not for profit community art gallery and teaching studio. Gallery One practice is in the area of **community art and cultural development**, supporting collaboration between professional artists/craftspeople, art workers and local community. Funding for the organisation comes from income generated through art and craft education and exhibitions as well as membership, donations, fundraisers and project grants.

CLASSES

Gallery One classes and groups have around 150 students/participants, and over 100 average weekly attendances. Gallery One offers over twenty regular art/craft weekly classes and groups as well as workshops and demonstrations.

In 2018/19 we welcomed new educators and classes: Watercolours with **Lorraine**

Brown, watercolour artist and president of South Australian Watercolour Society. **Lianne Gould**, our coordinator for Hooked on Tuesday and Brown Owls groups continued to coordinate "The Owls" and formed a new Tuesday afternoon class :Twisted yarn afternoon. Hooked on Tuesday morning group continues, coordinated by **Sue Barnett**.

EXHIBITIONS and EVENTS

Financial year 2018/2019 exhibition program started in August with **SALA 2018** exhibition. Curator **Marie Trebilcock** wrote an inspiring text : *"To contemplate is to look at shadows" (Victor Hugo) Shadow - a dark figure or image cast on the ground or surface by a body intercepting light. Shadows - shapes; Shadows - excitement, moving and playing with light Shadows - gloom, drama, mood – dark and deep "The soft look your eyes had once - and of their shadows deep" (W.B Yeats) Shadows are anywhere, everywhere and nowhere - above and below us, about us, a mirror within us - reflective, light and dark. They are our hopes, dreams, fears, fantasies, memories, lost loves, friendships. "If you don't have any shadows, you're not in the light" (Lady Gaga) What are your shadows ? Do they shape your life? "It's all about shadow" (Leonardo Da Vinci)*

2018 SALA exhibition **"The Shape of Shadows"** featured fifty six artworks

by thirty one artist. Second Gallery One SALA 2018 Exhibition- **"The Nature of Us"** presented paintings and photographs by three Highly Commended artists at Mitcham Art Prize 2017 : **Diana Bradshaw, Bob Landt and Judy Morris**. **Feltations 22**, a short exhibition by **Mitcham Village Felters** attracted a decent crowd . Exhibition reaffirmed the reasons for the high regard this group enjoys in our community. In October and November gallery was again bustling with a fifth **Mitcham Art Prize and Auction** exhibition as well as Gala Night. Russell Starke OAM returned to curate the exhibition, supported by our members and volunteers.

Russell also judge the exhibition with **Trudyenne Brown** from BMGArt. Mitcham Art Prize 2018 (\$2000) went to **Miriam Ferrall** for "Ballet Slippers". **J.A. Arnott** won People's Choice Prize (\$750) for "Mercurial" and **Don Lock's** "Portrait of Dr. Bruce Adams" won Gary Lee Gaston Prize (\$500). **Gary Lee Gaston** prize was judged by **Gary** and his wife **Julie** and sponsored by our Vice-president **David Milne**. Artists **Brooke Walker** and **Harvey Collins** were Highly Commended by the exhibition

judges. **David Smallacombe** returned as MC for the Gala Night, one of the sponsor for the prize/s and a wine auctioneer. Our own **Ian Laphorne** created artworks— labels for wine bottles that David S auctioned at the Gala. MAP 18 was made possible through **Special Community Project Grant** provided by **The City of Mitcham** (\$3000). We celebrated our artists and our community at the Gala Night, with live music from **Les Gitans Blancs** and **Eric Hudson**, some nice food, wine and a good company. Cigar box lids auction was, besides winners announcement, a highlight of the night. We were delighted to receive and auction cigar box lids from high calibre artists: **Ken Done**, **Andrew Baines**, **Ross Morgan**, **JA Arnott**, **Stephen Skillitzi**, **Barry Andersen**, **Rod Bax** and **Don Lock**. **Thank you to all who generously supported Mitcham Art Prize and Auction 2018.**

For **Phoenix**, Y 11 Unley high students exhibition, we even had a live canary in the gallery as a part of one artwork. Our young artists delighted us again and covered several themes, from the self image to the climate change, ecology and the future of the Earth.

Gallery One's Students, Participants and Members Exhibition traditionally concluded our 2018 calendar year. This particular exhibition is, well...let's admit that, the favourite one of all. On the gallery walls we could clearly see, and be all proud of, how much we learned and progressed. Life long learning is a motto of that exhibition.

2019 started with **Eric Hudson's Watercolours** exhibition in February. Gallery's own, personal, exhibition openings piano player Eric exhibited sixty-tree watercolours, mostly created during our Open Studio on Wednesdays. It was an amassing and emotional exhibition. Eric is a valuable, well respected and loved member of Gallery One and we proudly showed this exhibition, greatly supported by Eric's wife Jackie and his family and friends.

In 2019, together with Uniting Church of Mitcham, we showed the seventh **Life @Death** exhibition, themed "**Veronica Wipes the Face of Jesus**". **Dieter Engler**, creator of the original concept, again curated the exhibition. Artist in residence, dancer **Tanya Voges**, choreographed a dance routine in Virtual Reality using Tilt Brush software. Tanya was dancing in the gallery for the opening night, wearing googles and handling "digital brushes".

Audience was able to see Tanya dancing as well as follow her digital work on the screens. Virtual Reality company from Adelaide provided the equipment and equipment operator. Tanya's residency also included 12 hours of dance routine preparation at VR premises. Gallery One members as well as local community, including Pasadena High students, have had a wonderful opportunity to experience Virtual Reality art and use Tilt Brush on the day of the opening. VR company owner told us that company was founded with this type of projects in mind and they were excited to be a part of L@D project. Apparently, Gallery One was the first gallery in Adelaide that requested their participation in the project of this type. Gallery One was, as per usual and true to our tradition, yet again the first one to break ground in Adelaide! 14

Life @ Death 2019 was sponsored by the **City Of Mitcham** (from Mitcham Village budget) and **Alfred James Funerals**.

Artists Diaries and Peer Studios exhibitions were on display for the month of May . Our members **Ian Laphorne, Wende Dahl, Dom Guarna, Syd La Faber and Robert Zunic** reviled their thought, ideas, and little gems of place and time croquis in Artists' diaries. Three young artists: **Alicia Hanley, Solomon Somakumar and Pussyfoot** from **Peer Studios** presented some fresh ideas, expressions and preoccupations of the new coming generation of artists.

The "**Blue Ribbon Exhibition**" concluded our exhibition program for 2018/19. Artworks by **Brooke Walker, Don Lock, Miriam Ferrall and Harvey Collins** , all commended and/or winners at Mitcham

Art Prize 2018, adorned our walls in June. All four artists, highly accomplished in their individual expressions and very different in their preoccupations , presented a stunning visual feast for all of us.

TWISTED, A YARN FESTIVAL FOR CREATIVES

Twisted Festival was initiated by our own master knitter **Lianne Gould**.

On 19 August Gallery One, after months of preparation, hosted a one day market for textile/ fibre at Mitcham Cultural Village .Twisted attracted a lot of attention from the crafting community , stallholders and over 500 visitors, developing into an activity bigger than originally planned. 22 stalls were booked (maximum capacity) and unfortunately we had to

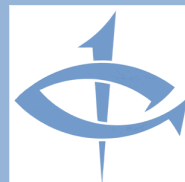

decline a few applications due to a lack of space. Gallery One had a collective stall , offered seven workshops, several demonstrations and we were also selling food from the main kitchen. More than 15 Volunteers did an amassing job and created a positive energy and great image for our Community. **Uniting Church** and **Red Shed** were included, with activities designed to compliment our Twisted Festival. Feedback received was outstanding : *"I would like to congratulate you and your team for a well organised event. We had a great day on Sunday and thought you and all the volunteers did an awesome job. The venue was beautifully layed out and everyone was very helpful. If it is decided to do the event again next year we would happily come back, maybe a need a slightly bigger stall. Again thank you to everyone for a wonderful day. Kindest regards Kathy (Kathy's fibres)"*

GALLERY SHOP

Gallery One gift shop continues to provide local artists and crafters with a venue to exhibit and sell their art/craft work. **Diana Bradshaw** continues working on the gift shop presentation. Income generated through shop sales is humble. However, Gallery One is determined to continue with this activity in order to keep providing this important service for the community. Our current Vice President David Milne recently started working with Diana, with a plan to do a complete overhaul of Gallery One shop.

WEBSITE and SOCIAL MEDIA

Our long time volunteer and gallery's website manager Anne Chapman-Smith decided to dedicate more of her time to study art. We were sad to see Anne go, but we are grateful to Anne for 3 years of generous donation of her time and also for the high quality work she produced on our website. Thank you Anne, we wish you the best of luck in your art studies. Another student/member-Rajpal Dayan took over Anne's volunteer website manager position and Raj is doing an excellent job on gallery's website.

I can find some clever quotes online , from a clever (known or unknown) people and repeat them here...or I can try to pour my heart out and say how much I respect and appreciate what you all do. I will not do that. I will simply say THANK YOU. I will also say that I am trying to show you what I think and feel on a regular, day to day bases. The most valuable thing I posses is my time I (I believe time it is the most valuable possession of all of us, however some may disagree) .I do try to give you my time as much as I can : to listen, to talk, to laugh together, even when I do not have much of it and I need to finish my work at home . I do it consciously and I hope that I was successful in showing you my deep appreciation and respect for each and every one of you.

COORDINATOR'S THOUGHTS at the end of 2018/19 financial year

Your coordinator (let me emphasise-coordinator, not a manager as I am often referred to) learned a lot again this past year, which is in line with our Life Long Learning value. Regarding end of the year thoughts I have gone back to the basics and would like to share with you :“ *Robert Fulghum's Recommendations: 1. Buy lemonade from any kid who is selling. 2. Anytime you can vote on anything, vote. 3. Attend the twenty-fifth (or thirtieth, or fortieth or event fiftieth in our case) reunion of your high school class. 4. Choose having time over having money. 5. Always take the scenic route. 6. Give at least something to any beggar who asks. 7. And give money to all street musicians. 8. Always be someone's Valentine. 9. When the circus comes to town, be there”*- From a book “It was on fire when I lay down on it”

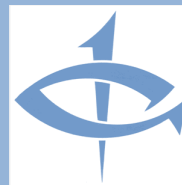

Gallery One is a community art gallery and a teaching studio. It is run by the community and community is in charge. Community is developing our shared goals and objectives and implementing projects. Community is always strongly encouraged to propose new concepts, ideas and projects. What I can promise again this year is, congruent with the ethics of a community worker as well as my personal values and believes , that I will always do my best to support, advise and facilitate project/s initiated by this community as well as advocate on community's behalf.

In our 45th year we are here and still persevere to support art and crafts, life long learning, community engagement and our local as well as wider arts and crafts community. Mitcham Village Art and Crafts Association trading as Gallery One is still , through the pursuit and appreciation of arts and crafts, actively contributing to our wider community so as to be a better place to live.
